

# INTRO. TO BOOTSTRAP

Week 10.1 - IST 263

# GRID.CSS

- Is anyone planning on using it in their project?
- Why did you choose to use it?
- Reconsider using Bootstrap instead

# SOFTWARE FRAMEWORKS

- Software that provides reusable functionality that can be selectively changed
- Helps reduce time spent on development & testing
- Provides a standard way to build and deploy

# BOOTSTRAP FRAMEWORK

Released by Twitter in 2011

# HOW TO START WITH BOOTSTRAP 4.4
